FINDINGS OF FACT

3. Respondent is the subject of alcohol dependency syndrome. He has been exposed to inpatient treatment as follows: St. Croix Hospital, 21 days in 1983; St. Mary's Hospital of Minneapolis, 28 days in 1990; and Milwaukee Psychiatric Hospital, 14 days in 1991, followed by recovery house treatment for three months, ending April 19, 1991.

Respondent may petition the Board for reinstatement of his license, and as a reasonable accommodation to Respondent the Dentistry Examining Board may require proof to its satisfaction that Respondent does not have a chemical dependence, physical, or physiological condition that would impede his ability to safely practice dentistry. In the event that the Board grants reinstatement of Respondent's license, the Board may impose such limitations and conditions upon the license as the Board deems appropriate at the time. Denial in whole or in part of a petition under this paragraph shall not constitute denial of a license and shall not give rise to a contested case within the meaning of Wis. Stats. sec. 227.01(3) and 227.42.

The rights of a party aggrieved by this Decision to petition the Board for rehearing and to petition for judicial review are set forth on the attached "Notice of Appeal Information".
